

DR. LINDA BURRS

EXECUTIVE COACH

Beginning May 2020 sessions
available via Videoconferencing

Why should you hire an executive coach?

- Want experienced coaching support for your goals
- Need a safe, reliable, honest confidant
- Expose blind spots
- Strengthen skills

Why is my approach different from other coaches?

- I make it easy for my clients to succeed
- I use a winning wholistic approach
- You can count on helpful honest feedback
- I create safe conditions to explore non-traditional solutions

Why do I get results?

- My clients know I am there for them.
- I use the Socratic method of discovery and make use of the coachee's personal preferences to understand individual behaviors.
- I support my client's development in the skills necessary to improve and move forward toward their goals.
- I NEVER stop honing my skills to help care for my clients. I regularly update, educate, complete certifications to continue to broaden my expertise and reputation for excellence.

"My only goal is to help reach yours"
